

Change of company name

01 July 2014

Dear business partners,

We would like to inform that as of 1 July 2014 we have changed the company name **BUCHACHER Holzbausysteme GmbH** into **HASSLACHER Holzbausysteme GmbH**.

For you as our business partner all services and legal relationships will remain unchanged. You have come to know us as strong and reliable business partner - our other company and contact data, commercial register number, tax number, VAT number as well as our banking data will, of course, remain unaffected by the change of our company name.

We kindly ask you to take note of the above-referenced change.

Best regards,

Christoph Kulterer  
Managing director, CEO
